Annual Horizon Map

Your year on one page

Your year on one map

Most years are planned one goal at a time. The map shows them together, so you can see when a season is overcrowded.

Fill in the domains first, then move anything that does not fit to next year.

The year at a glance

Write one horizon per box at most.

Winter
Three horizons at most.

Winter: horizons

Horizon one

Horizon two

Horizon three

What is waiting until later?

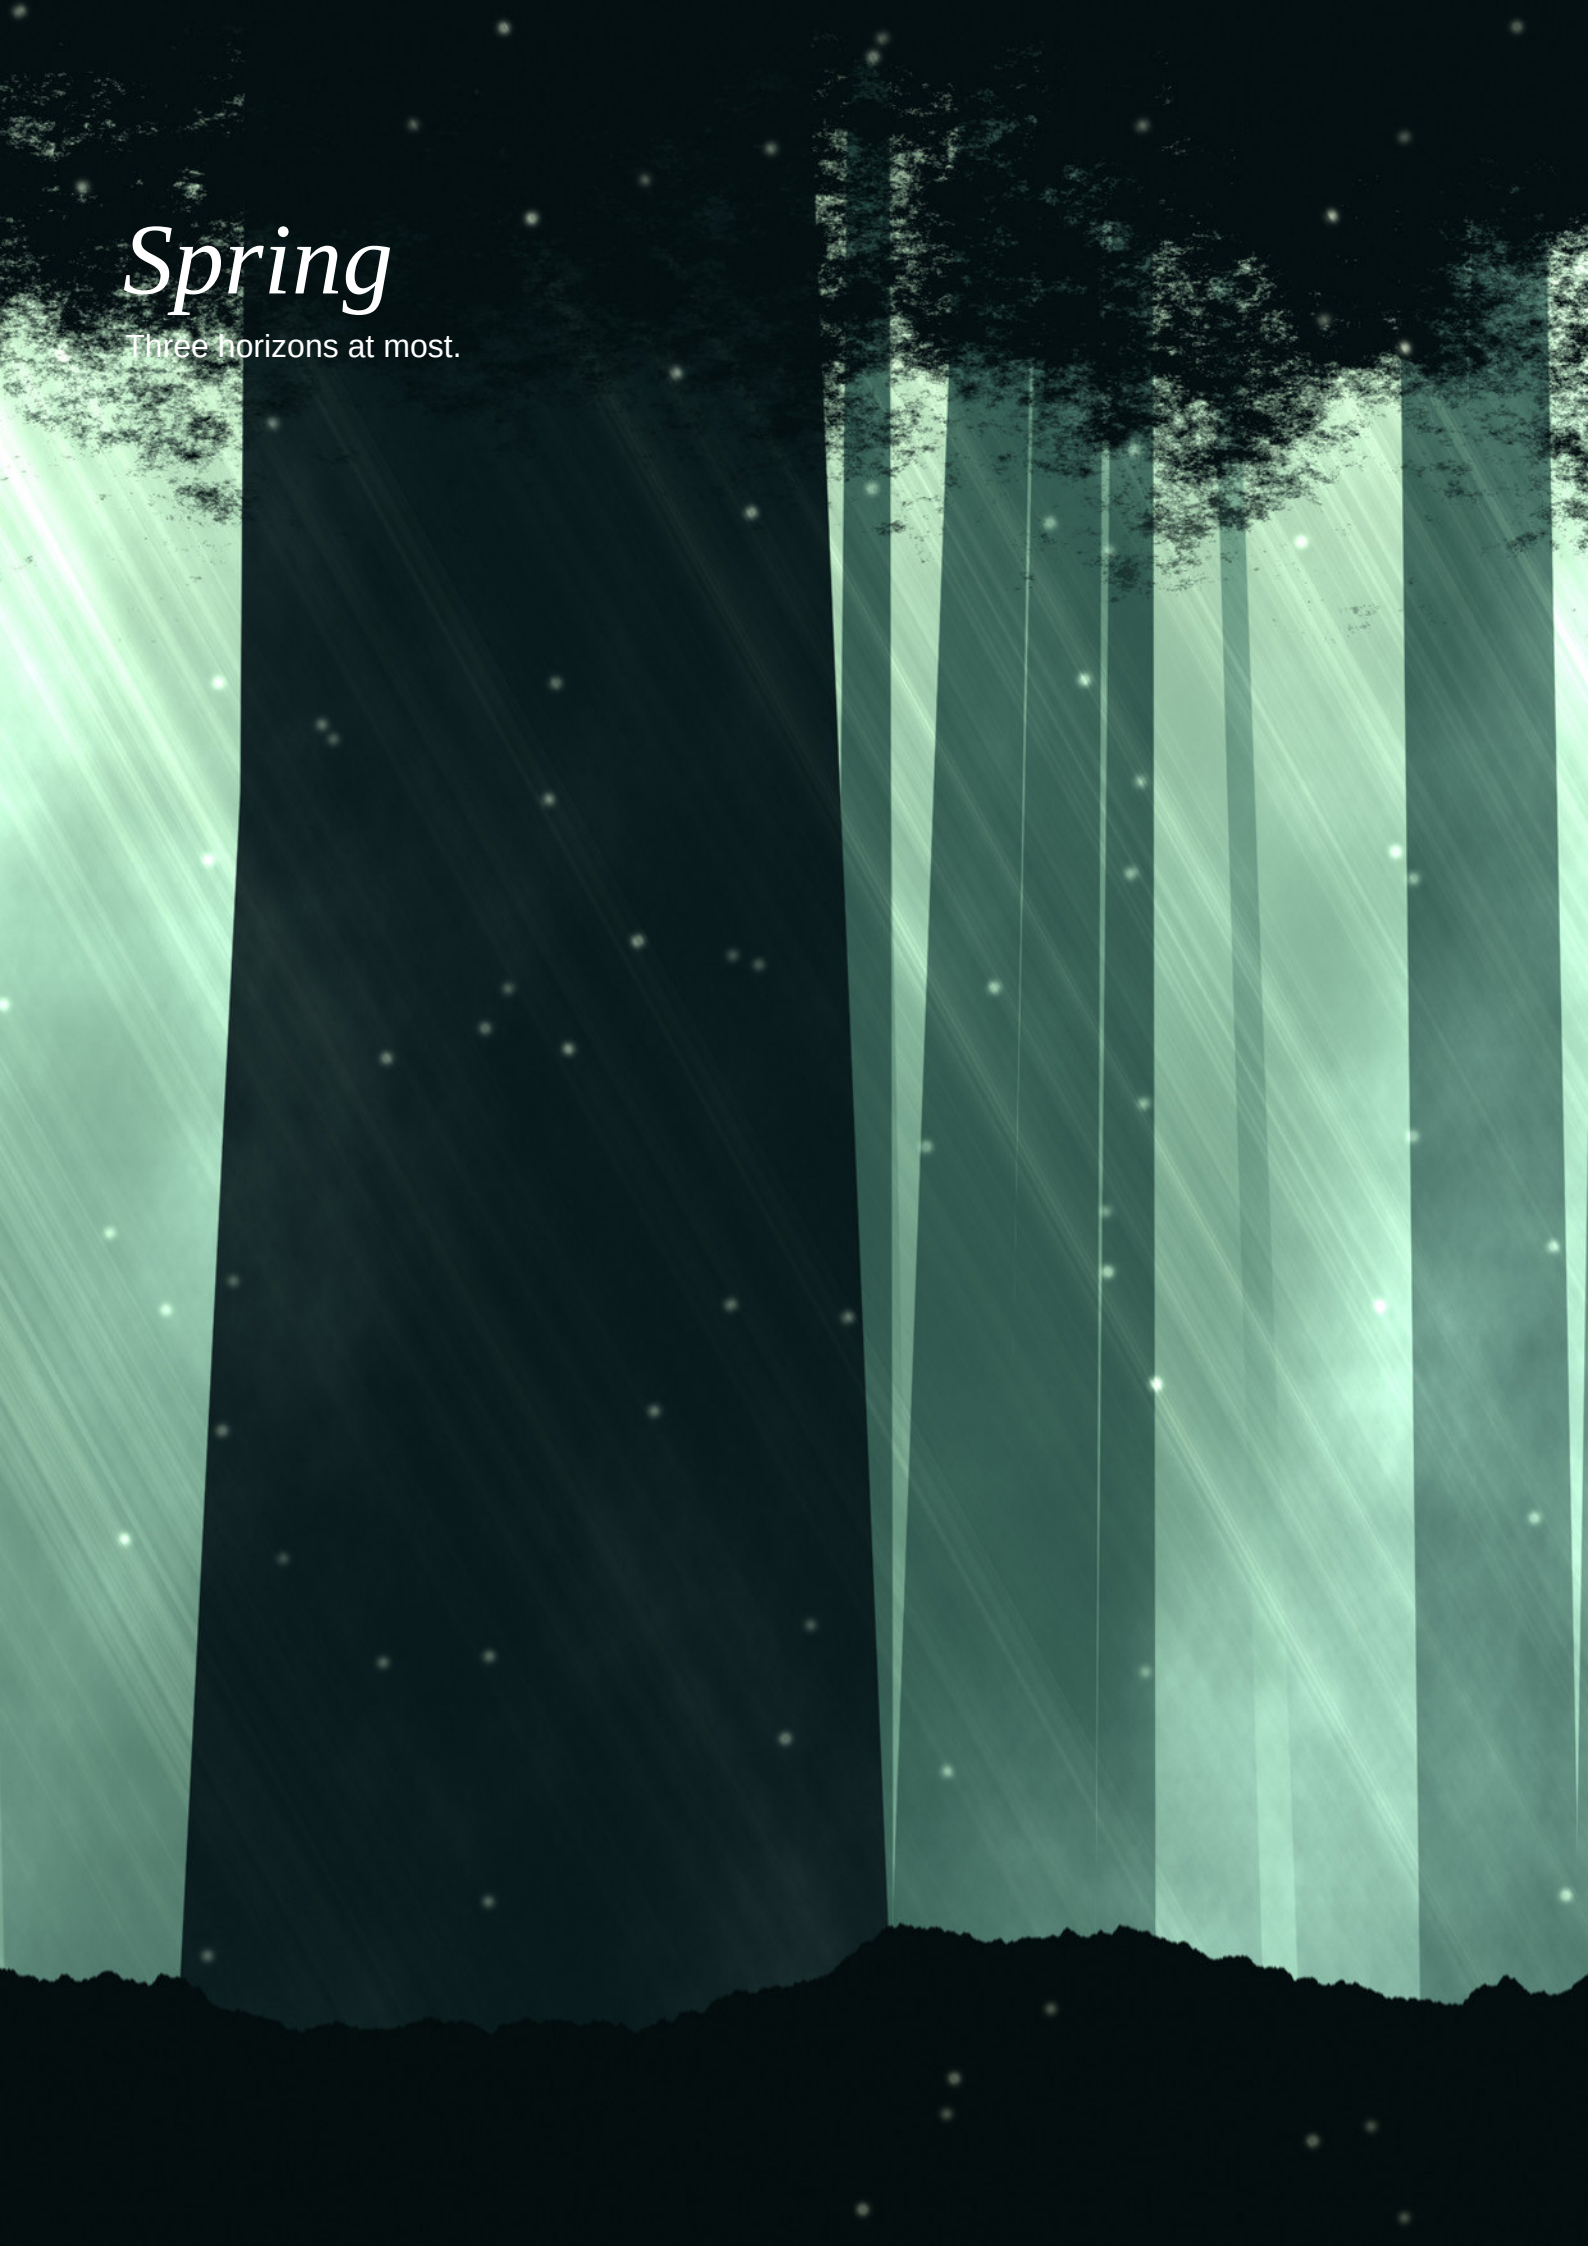

Winter: review

Keep

Pause

Release

One thing I learned

Spring
Three horizons at most.

Spring: horizons

Horizon one

Horizon two

Horizon three

What is waiting until later?

Spring: review

Keep

Pause

Release

One thing I learned

Summer
Three horizons at most.

Summer: horizons

Horizon one

Horizon two

Horizon three

What is waiting until later?

Summer: review

Keep

Pause

Release

One thing I learned

Autumn
Three horizons at most.

Autumn: horizons

Horizon one

Horizon two
